Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form SF-1 (17 CFR 239.44) is the registration statement for non-shelf issuers of asset-backed securities register a public offering of their securities under the Securities Act of 1933 (15 U.S.C. 77a et seq.). The information collected is intended to ensure that the information required to be filed by the Commission permits verification of compliance with securities law requirements and assures the public availability of such information in the asset-backed securities market. Form SF-1 takes approximately 1,384 hours per response and is filed by approximately 6 respondents. We estimate that 25% of the 1,384 hours per response (346 hours) is prepared by the registrant for a total annual reporting burden of 2,076 hours (346 hours per response x 6 responses).

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information

on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
